

10 Years University of Bayreuth Graduate School

UBTGS celebrates its 10 year anniversary as a support
and service institution for doctoral candidates.

We invite you to celebrate with us!

Monday, MAY 15 2023 | 6 pm | H33 | Building: Applied Informatics

■ GUEST TALK

Career Strategies for PhDs

Rob Thompson – Coach, TEDx and Keynote Speaker

■ GENERAL ASSEMBLY

Directly after the talk. The representatives of the doctoral candidates briefly introduce their work followed by a short Q&A session regarding the next election in June.

■ PUB NIGHT

7:30 pm | Glashaus

ABOUT THE SPEAKER

Rob has 15 years' experience working as a coach. He has been teaching workshops in our qualification programme for many years with enthusiastic feedback from participants and has clients in 7 different countries, including Charité, Max Planck Institutes and Helmholtz Association. Before he founded RTTA, he managed projects in the retail and financial sector in London.
